ANNOUNCEMENTS

Blackboard Important Update on May 26th

Learning Technologies would like to announce that we will upgrade our domestic Blackboard environment to the most current (Q4 2015) Release. The upgrade will take place on May 26th.

You will not be able to access Blackboard from May 26th 2:30 AM to May 27th 8:00 AM while we complete the upgrade.

The new version of Blackboard will introduce no substantive changes to the Blackboard experience. It is primarily designed to fix a large number of known bugs and other issues. The following link highlights some of the issues that are being addressed with this upgrade.
